BOOK SYNOPSIS

Magnus Mandalora never planned to go out into the big, wide world. He thought he'd live out his life in his homely little village, happily cooking and eating pflugberry pies. But fate had other ideas. Before he knows it, Magnus has embarked on an incredible adventure. He discovers a world full of marvels and wonder, surprises and delights. But it's also a world of perils and danger. As Magnus finds himself right in the middle of a long-running war between the fair and noble Cherines and the vile and despicable Glurgs, he faces challenges beyond anything he could have imagined.
